Our ethos is heavily based around the importance of our customer experience. We had taken up the responsibility to care about your journey, from part of DR family. Today, DentalReach can be found across the globe digitally. Via several channels, we encourage social interaction and communication whether it be by personally speaking to a member, or tweeting us directly. We are here to serve you better.

Dr Rockson Samuel
The concept of gender is deep rooted in society, with strict guidelines of 'appropriate' behaviour for men and women. However, gender roles around the world have undergone a sea of change! After we organized the DentalReach - DentalDivas Digital Summit 2020 - the first live, digital dental conference, consisting exclusively of women speakers - I realized we need to celebrate women dentists all over the world! Here’s a look at the journey of women in dentistry.
